

Cleaning Schedule for 2010

If you are scheduled on a date that will not work for you, please find someone who could trade with you.

There is a laminated check off list in the cleaning room that you are to use as you clean. If you need a key, one can be checked out from Brad. Be sure the key is returned to Brad after you clean. If you have any questions, you can call Brad at 402-360-3499.
